

Royal Edinburgh Hospital Patients Council

NOMINATIONS FOR USER MEMBERS OF THE PATIENTS COUNCIL MANAGEMENT COMMITTEE

Applications for nomination should be submitted before the Annual General Meeting, so that prospective members can meet with our office bearers to learn about what's involved in becoming a trustee of the charity and to tell us what they can offer. All nominations must be proposed and seconded at the Annual General Meeting. If there are more nominations than places for user members, an election will take place.

User members of the Management Committee must be current or former users of the services of the Royal Edinburgh Hospital (REAS) and will preferably have volunteered regularly with the Patients Council for about one year prior to seeking election.

If you would like to stand for nomination as a user member of the Patients Council Management Committee, please complete the form below and return it to the Patients' Council, Royal Edinburgh Hospital, Morningside Terrace, Edinburgh EH10 5HF at least two weeks before the AGM.

During the course of the year, applications for nomination can be accepted at any time if there are vacancies for user members. Following a meeting with the office bearers, as above, these applications will be considered at the next full Patients Council meeting.

I would like to stand for nomination for election as a user member of the Patients' Council Management Committee.
